Dear Mr. Hawkins:

The Finding of No Significant Impact (FONSI) and the Decision approving the amendment to Brush Wellman's Plan of Operations (Plan) have been signed. A copy of the FONSI and Decision have been enclosed for your information.

The BLM Utah Environmental Notification Bulletin Board was updated to show that the Decision had been signed June 1, 1999. There is a mandatory 30-day appeal period from this date; however, as with any Plan that is not in a Wilderness Study Area, the Decision is in full force and effect.

Please be reminded that the regulations at 43 CFR §3809.2-2 require that all operations ... shall comply with all pertinent Federal and State laws. Accordingly, you should have any other required permits or approvals prior to beginning operations under this amendment.

If you have any questions, please call Ron Teseneer at 435-743-3126.

Sincerely,

Rex Rowley
Field Manager
